

USCG Certified Laminated Sheets

from Arvinyl

Arvinyl Laminates partners with Rigidized® Metals Corporation to provide USCG certified marine honeycomb panels.

The Arvynyl Advantage

Arvynyl Laminates is a leading provider of custom laminated sheets for the Marine industry. Our United States Coast Guard certified marine laminates can be used to add style and substance to your projects.

Arvynyl's marine laminates, Arwall and Arvex, offer beauty and two dependable levels of durability.

ARWALL provides the durability of wallcoverings for everyday use. USCG approval number 164.112/87/0.

ARVEX offers high pressure-like surface durability for your toughest use. USCG approval numbers 164.112/91/0 and 164.112/86/0.

Sample of Arvynyl's USCG approved marine laminate, Severin Lauren, used in passenger vessel.
